

# Programme for Advanced Epilepsy Meeting: Channelopathies & Neurosurgery

9 -10<sup>th</sup> May 2019 - Scandic Hotel, Copenhagen

## Day 1: Epilepsy Surgery Session - Thursday, 9<sup>th</sup> May - 13:30 -17:30 hrs

<b>Presentation one:</b> Epilepsy surgery: the evaluation flowchart and evidence for the efficacy of surgical treatment	Professor Philippe Ryvlin Chef du Département, Professeur de Neurologie, Lausanne Honorary Professor, Copenhagen University
<b>Presentation two:</b> The contribution of advanced quantitative MRI based techniques to epilepsy surgery: lesion detection and prognostication	Dr Simon Keller, BSc MSc PhD FHEA FAS Senior Lecturer in Neuroimaging and Neuroscience in the Department of Molecular and Clinical Pharmacology, Institute of Translational Medicine (ITM), University of Liverpool
<b>Presentation three:</b> PET and SPECT in presurgical evaluation	Dr Lars H. Pinborg Consultant Neurologist, Associate Professor, Copenhagen University
<b>REFRESHMENT BREAK</b>	<b>REFRESHMENT BREAK</b>
<b>Presentation four:</b> Electromagnetic source imaging	Professor Sándor Beniczky Professor, Consultant Clinical Neurophysiologist Danish Epilepsy Centre and Aarhus University Hospital
<b>Presentation five:</b> Intracranial EEG: challenges and opportunities for individualised medicine: candidacy	Dr Beate Diehl, MD PhD FRCP Reader and Honorary Consultant Neurologist and Neurophysiologist, UCL Queen Square Institute of Neurology, London
<b>Presentation six:</b> Radiofrequency thermocoagulation (RFTC) guided by stereoelectroencephalography (SEEG)	Mr Martin Tisdall, MBBS BA MA MD FRCS(SN) Consultant Paediatric Neurosurgeon, Great Ormond Street Hospital Honorary Senior Lecturer, UCL Great Ormond Street Institute of Child Health Honorary Consultant Neurosurgeon, National Hospital for Neurology and Neurosurgery, London

# Programme for Advanced Epilepsy Meeting: Channelopathies & Neurosurgery

9 -10<sup>th</sup> May 2019 - Scandic Hotel, Copenhagen

## Day 2: Channelopathy Session- Friday, 10<sup>th</sup> May - 09:00 -12:30

<b>Presentation one:</b> Clinical approach to epileptic channelopathies	Elena Gardella Danish Epilepsy Centre and University of Southern Denmark
<b>Presentation two:</b> Genetics of epileptic channelopathies	Rikke S. Møller Danish Epilepsy Centre and University of Southern Denmark
<b>Presentation three:</b> From the gene mutation to the clinical manifestation	Dr Andreas Brinklaus Honorary Clinical Senior Lecturer, University of Glasgow
<b>REFRESHMENT BREAK</b>	<b>REFRESHMENT BREAK</b>
<b>Presentation four:</b> Early genetic testing in epileptic channelopathies.	Katrine Johannesen & Guido Rubboli Danish Epilepsy Centre and Copenhagen University
<b>Presentation five:</b> Treatment approaches and 'precision medicine' in epileptic channelopathies	Professor Sanjay Sisodiya Professor of Neurology, UCL Queen Square Institute of Neurology, London Honorary Consultant Neurologist, National Hospital for Neurology & Neurosurgery
<b>Presentation six:</b> Gene therapy in epilepsy	Professor Stephanie Schorge UCL School of Pharmacy, London
<b>LUNCH - Scandic Hotel</b>	<b>LUNCH - Scandic Hotel</b>

# Programme for Advanced Epilepsy Meeting: Channelopathies & Neurosurgery

9 -10<sup>th</sup> May 2019 - Scandic Hotel, Copenhagen

**Day 2: Case Session - Epilepsy Surgery - Friday, 10<sup>th</sup> May - 13:30 -17:00 hrs**

Discussion panel:

- **Dr Nandini Mullatti, King's College London**
- **Professor Matthew Walker, UCL Queen Square Institute of Neurology, London**
- **Professor Sandor Beniczky, Danish Epilepsy Centre and Aarhus University Hospital**
- **Dr Beate Diehl, UCL Queen Square Institute of Neurology, London**
- **Professor Anne Sabers, University of Copenhagen, Rigshospitalet**

<b>13:30 -15:00</b>	Case presentations
<b>15:00 - 15:30</b>	<b>REFRESHMENT BREAK</b>
